Downeast Horizons is committed to:

- Providing the necessary supports for each individual to participate in the community in which he or she lives, in a way that satisfies and enriches both the individual and the community
- Facilitating caring and satisfying relationships for each individual we assist
- Listening and responding to feedback from the individuals we assist, their families, and the community
- Respecting the dignity and individuality of every person with disabilities that we support
- Providing access to experience that provides each individual with opportunities for choice and growth as appropriate
- Supporting individuals with disabilities through advocacy and education efforts with families, in the legislature and in the community.
